

Patty is booking speaking engagements on a variety of topics. Positive, uplifting messages are given, that will exhort and edify your people. The Lord Holy Spirit, Has Given Patty many “tools” for people to use that help them to understand, and to conquer every area of their lives. These are “problem solving” ideas and tools that will help people with everyday life situations, as well as their walk with The Lord. These messages are interlaced with music, power point presentations, stories, testimonies, and sometimes, “hands on” activities for the people. All teachings are in alignment with Scriptures.

Through it all, Patty teaches WHY we need to come into holiness, purity, reverence and respect for God, Jesus and Holy Spirit. She does so, through both Scripture and the telling of her experiences. God Has Made her an overcomer, taking Patty from the depths of sin, depression and despair, to a life where every day is an adventure, filled with God’s Miracles and Precision Timing. Most people are missing the greater walk with the Lord. Holy Spirit Uses Patty to create a hunger for God and His Ways.

Patty has been through the depths of repeated devastation, and Brought out of it By The Lord. Having lost every one and everything that mattered to her, she turned her life solely and exclusively to the Lord. Patty has ministered to over 50,000 callers since 2000 on the personal and spiritual issues of their lives. She is able to reach people through the things God Has Taught her. Fresh perspectives are given. The Lord Often Uses Patty in healings, deliverance and bondage breaking, and hope is restored and renewed. We’ve seen years fall off of people’s faces as Patty ministers hope to the broken and distressed. She has answers to the problems they are facing daily.

The links below will enable you to learn more about Patty and the remarkable walk she’s had with The Lord. It is a moment by moment walk, like a dance with Him. Patty has been one of the “hidden ones.” He’s Been Saving some, to Raise up in these last hours. She is one of those, who, although she participates in other ministries, He Has Closeted her with Him, to Reveal some of the Greatest things about our world, and His Word.

A highly prophetic, gifted and anointed speaker, Patty prays to become as invisible as possible during her talks, so that Holy Spirit takes Precedence. A woman whose life is dedicated to God, Patty keenly, reverentially, hears Holy Spirit clearly . She carries a Strong Word for the Body of Christ, which will prepare them for His Second Coming. She’s studied deeply, the Jewishness of Jesus, and attended both synagogues and Messianic fellowships in her quest for a greater understanding of Who Jesus Is, and What He Taught. The Lord Has Separated Patty apart, to Teach her many things, including walking levels of holiness and purity that is not usual. She gives ALL the glory to God, taking none for herself. You and your congregation will laugh, cry, repent, praise God and come away, changed forever.

## Messages:

<p style="text-align: center;"><b>Lust Busters ! God's "Hot Topic"</b></p>	<p>Most people don't understand that those "delicious" feelings of lust may not be coming from them. They are a temptation, and need to be dealt with. Lust Busters! Explains the mechanisms of how satan and his demons tempt people. It gives 100 specific things a person can do to overcome temptations of sexual sins. We are called to holiness and purity. Sexual sins are rampant in most churches. Patty brings testimony, tools, examples and stories that will edify, exhort and build the spiritual strength of God's people.</p> <p>Music is powerful in learning concepts. Patty has re-written the "Ghostbusters" theme song to be "Lust Busters!" The simple lyrics engage people in not "who you gonna call," but "whatcha gonna do! Lust Busters!" This music will be played at the beginning and end of the service/workshop. People will be empowered to overcome.</p>
<p style="text-align: center;"><b>Our Jewish Jesus</b></p>	<p>Patty brings elements from the practice of Judaism, to explain what they mean in Biblical context. She explores the "Jewishness" of Jesus, including how He Would Have Been Raised, and the things He Would Have Done. She helps people to see the deeper understandings in Scripture through revealing Hebraic meanings. Eyes will be opened, and understandings will come through this message. Hearts will be set on fire to deepen Bible studies and grow closer to The Lord through this message.</p>
<p style="text-align: center;"><b>Paganism and New Age Infiltration of Christian Churches and Homes</b></p>	<p>Much is happening in the spirit realm. You need to know about it, and take action. It affects your health, finances, relationships, job security and more. Learn where you and your church are opening the doors.. People often have things in their homes, activities they participate in, and sins that open doors into the demonic realms. We know that satan comes in like a flood, to kill, steal and destroy.</p>
<p style="text-align: center;"><b>Slicing and Dicing the Bible</b></p>	<p>A fascinating look at the depths and intricacies of the Bible, with Judaic symbolism taught. This opens the Bible to deeper levels, and piques the interest of both those who regularly read and study, and those who have been at it a long time.</p>
<p style="text-align: center;"><b>Flesh vs. Spirit-filled Life</b></p>	<p>A practical look at yourself and your walk with the Lord. Reassessing where you are! The move towards holiness.</p>
<p style="text-align: center;"><b>Psychic Deceptions</b></p>	<p>Why would this need to be talked about in Christian churches? (They're in YOUR church, too!) Too many Christians are calling psychic hotlines, unaware of the dangers. Ms. Thomas will call out Christian witchcraft and other practices that most Christians are not aware they are doing.</p> <p>God Delivered Patty from the new age movement. She now does deliverance and teaches people the dangers involved. The faults and fallacies of the new-age movement and the doors to darkness opened are taught. People are not generally aware of the consequences of disobeying God's Word regarding these things.</p> <p>This message and session includes deliverance and bondage breaking. Part of the consequences of occult involvement, is generational curses upon children.</p> <p>Jesus Tells us "My people perish for lack of knowledge." Are they sitting in the pews, unwittingly involving themselves in areas of the occult? Help your people by giving them this information, as taught by Patty.</p>

<p><b>Spiritual Warfare for Everyday Life</b></p>	<p>A well-practiced deliverance minister, Ms. Thomas will teach practicalities for everyday life that you need as much as you need your toothbrush! Are those thoughts and feelings really yours? She helps your people in learning discernment. Do you wonder why your mate or your children have suddenly changed? Patty helps people to identify the source of the problems, with Biblical and practical answers.</p>
<p><b>Workshop On Shabbat</b></p>	<p>Jesus Would Have Honored the Sabbath over 1,700 times in His Life on earth. It was Ordained by God, in recognition of His Resting on the 7<sup>th</sup> Day of Creation. Mankind changed all that. The typical Jewish Shabbat is from Friday night at sundown, until Saturday night. Shabbat, is the picture of taking bread and wine in communion, and also the rest in Christ we should all have. It speaks of eternal rest and so much more.</p> <p>Patty has taught workshops on the Judaic custom of celebrating Shabbat. She brings many items of Judaica. These give people the experience and understanding of celebrating the Sabbath the Ways that Jesus Would Have. This workshop would have to be held on a Friday evening. People would be encouraged to bring a dish to share, excluding pork and shellfish. Patty will provide homemade challah bread, music and decorations to make it a festive event.</p>
