# How This Praise Movement Began

---

This movement began this past Christmas, 2010.

I was so excited about the youtube videos of the flashmobs of the Hallelujah Chorus being sung at the malls. Thousands of people came out to Praise God!

This happened at more than 30 malls across the US and Canada. Two malls had to be shut down completely, because they were concerned about the sizes of the crowds, and, of the malls' structural ability to hold up that many people.

As I wrote the article (see next few pages,) Holy Spirit Told me that this Was Truly a Move of God. He Told me the Lord Wanted me to start a new movement, one, that would put Christ back in Christmas.

He Said He Wanted people to stop what they were doing on Christmas, and honor Him. What could be more right, and more appropriate than praising Him on Christmas! And, so, this movement was born.

Immediately, I started emailing Christian radio and tv stations across the globe, and for 24 hours, in every time zone, people were praising! Hallelujah! Hallelujah!

On Christmas Day, 2011, we invite people to take pictures and videos of their gatherings and submit them to the [www.wavesofpraise.org](http://www.wavesofpraise.org) website.

Join us, and give Him praise! On Christmas, and every day!

# WAVES OF PRAISE

## 24 HOUR WORLD-WIDE PRAISE MOVEMENT

At 3pm on Christmas Day in each and every time zone across the world!

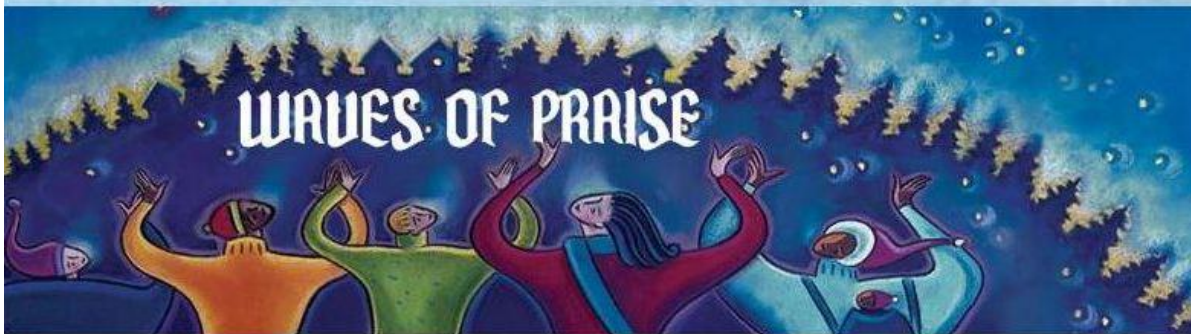

If people all across the world can shout "Happy New Year" on New Year's, then they can also take time at 3pm on Christmas Day to give GREAT PRAISE to God for His Son, Jesus Christ!

**Let us pause to remember....THE GREATEST GIFT EVER GIVEN!**

On Christmas Day, 2010, Christian radio and television stations in every time zone across the world, asked people to join in and praise the Lord at 3pm. Reports came in from many places!

Some praised for 10 minutes, some for an hour. Others gathered their families, and established a new tradition. Why should "santa claus" get all the credit? The earth is the Lord's and the fullness thereof!

Call family, friends and churches together, for voices to be unified in praise and thanksgiving!

## 24 HOURS OF CONTINUAL PRAISE

Rising to Heaven, in Wave after Wave!

*A New and Yearly Tradition!*

**Shouldn't Christ BE in YOUR "Christ"mas?**

**He DESERVES our Time, Attention, Praise and Thanksgiving!**

**PLEASE start making regular announcements at Thanksgiving and all throughout the Christmas season:**

- Christian Television
- Christian Radio
- Internet Blogs
- Facebook, Twitter, Other Social Networks
- Churches
- Church Signs
- Church Bulletins
- Christmas Pageants & Concerts
- Christmas Angel Giving Programs

Some people believe that Jesus Christ Was Born during the Fall Feasts, and Conceived around Christmas. The Moment of His Conception, Was the Moment He Was Given! Christians around the world recognize this day as a day to celebrate Him. But, too often, He's Left out of the Christmas festivities.

Join us, as we link hearts and voices as one unified Body of Christ, all across the world!

*This Idea Came From Holy Spirit!*

# Interview Questions & Answers

---

## Q. What is the “Waves Of Praise” Movement?

A. It’s a real and tangible way to put Christ back in Christmas. If people can stop what they are doing at midnight on New Year’s Eve and say “Happy New Year!” they can stop at 3pm on Christmas Day to give God, Jesus and Holy Spirit the glory and honor and praise.

## Q. When is this being held?

A. On Christmas Day, all across the globe at 3pm in every time zone. 24 hours of continual praise, rising to Heaven in wave after wave!

## Q. Are there special places designated to meet for this movement?

A. That’s up to individuals. People can get as creative and organized as they want. You can stop and worship The Lord in your car, your home, with your family and friends. It is meant to be completely individualized, and from the heart.

## Q. Is there anything people can do to prepare for this?

A. Yes! First, “Like” the facebook page for “Waves Of Praise.” Then, start calling family and friends to organize a “praise session” on Christmas. Have people bring their musical instruments, backing tracks, instrumental music and song sheets, or lyrics.

## Q. What isn’t it?

A. It’s not a time to sing songs to santa claus!

## Q. Is there anything else you would suggest?

A. It would be really nice if people would open the praise session with a prayer of thanksgiving to God. This is the time, of the well-known John 3:16 verse:

John 3:16 King James Version (KJV)

16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

## Q. Many people say Christmas isn’t really the birth of Jesus. What do you say about that?

A. It was at the time that Jesus Was Conceived, or the time called the “Annunciation” when the angel appeared to Mary, that is the time Jesus Was Given to the world. That’s actually the Old Testament.

Isaiah 7:14

Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel.

I believe, Jesus Was Born on the Feast of Trumpets, or Rosh Hashanah. In Jewish writings, Rosh Hashanah celebrates the birth of the world, and the birth of Adam. Jesus Is Called The Second Adam.

Jesus Will Return with the sound of the trumpet:

**Psalm 47:5**

God Is Gone up with a shout, The LORD With the sound of a trumpet.

**1 Corinthians 15:51-53**

51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed,

**52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.**

53 For this corruptible must put on incorruption, and this mortal must put on immortality.

**Revelation 11:15-19**

15 And the seventh angel sounded; and there were great voices in Heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of His Christ; and He Shall Reign forever and ever.

16 And the four and twenty elders, which sat before God on their seats, fell upon their faces, and worshipped God,

17 Saying, We give Thee thanks, O LORD God Almighty, which Art, and Wast, and Art to come; because Thou Hast Taken to Thee Thy Great Power, and Hast Reigned.

18 And the nations were angry, and Thy Wrath Is Come, and the time of the dead, that they should be judged, and that Thou Shouldest Give Reward unto thy servants the prophets, and to the saints, and them that fear Thy Name, small and great; and Shouldest Destroy them which destroy the earth.

19 And the Temple of God Was Opened in Heaven, and there was seen in His Temple the Ark of His Testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail.

# List of Flash-mobs, Christmas 2010

---

**Hallelujah! Hallelujah!** (from [www.pattythomas.com](http://www.pattythomas.com))

Hallelujah! Hallelujah! During this Christmas season, people from all walks of life have come together in public places to worship the Lord! Malls, markets and airports have been filled with the sounds of “King of Kings! And, Lord of Lords!” and, “The Kingdom of our God, and of His Christ!” Hallelujah! Hallelujah!

Churches, symphonies, choirs and choruses, operas and other organizations have all joined together in cities all across the United States and Canada. Denominational barriers have been dropped as all praise and worship the Lord together! People have come out of the church pews and into mainstream, unabashedly and loudly proclaiming the Name of the Lord! Others in the malls, just join in. You can't help but praise Him! Like the wildfires seen in Israel and the US in recent times, Jesus Is Going Viral. Praise God!

This is an unprecedented outpouring of praise for God, to Whom all praise is due! Nothing, in the history of mankind, has ever happened like this before. Two malls had to be shut down and evacuated because they didn't think the structures could handle the weight of so many people! They're coming in droves to worship our King! Seas of faces praising God!

It reminds me of a vision the Lord Showed me many years ago. Stadiums all across the land, were filled with people praising Him, all at the same time. Regardless of the ACLU, the Obama move towards socialism, and the constant threats of terrorism, people are finally getting it. The Only One Who Can Save us now, is the Lord Jesus Christ. This is just a sign of what is to come.

This, is an answered prayer. Many of us have prayed for Christians to wake up, and stand for Whom they believe in. Christians are coming out of complacency, and there's going to be much more. Even in the face of the coming darkness, those who truly belong to Christ will find every reason in the world to praise Him regardless of what they are faced with.

My hope, is that this move will continue long into the new year. Think of it: you go to the mall, someone looks you in the eye, and you both break into spontaneous song. It could happen!

Check out these videos and articles, and get encouraged. Then, go out and do something, too. Start a wildfire in your church and community. It only takes one person.....will you? I pray

that in coming days, both before and after Christmas, that many, many more of these events will happen. Whether it be organized, or spontaneous!

Let's bring God back into America and the world! One nation, UNDER GOD! Praise His Holy Name!

## PATTY THOMAS

Patty is the Founder and CEO of The Miracles Of Jesus Ministry. She is actively engaged in writing books and movies that bring clarity to people, all based upon Biblical Scriptures. Most of these books are filled with Revelations from the Lord.

Deeply devoted to The Lord, her daily walk is a continual testimony. She has been closeted with Him for several years, birthing books, movies, and materials that will help prepare God's people for the Second Coming of Jesus Christ. Her life personifies the walk in the Holy Spirit.

Having been through much personal sorrow and loss, Patty ministers from the heart. She teaches and encourages people to have a continual, abiding relationship with the Lord. Most of all, she gives people perspectives on their problems to help them see the situations as Jesus Would See them.

She is an "all-out" worshipper and prayer warrior that has seen many real miracles. Patty loves to lose herself in worship dancing, giving God everything she has to give. The Lord Has Taught and Used Patty repeatedly in documented cases of starting and stopping storms, and other true miracles, signs and wonders.

Born and raised a Catholic, in Long Island, NY, the Lord Began Instructing her in the late 1990's regarding His church. He Moved Patty to the Nashville, TN area in 2003 where she participated in Christian non-denominational churches, Messianic ministries and Jewish synagogues. Patty teaches on holiness, repentance, reverence, and the Awe and Wonder of God. Her calling touches many areas, including the current state of the church today, the Word of God as the Final Authority, Teachings of Jesus, Judaic Roots, Feasts and customs and the Wonder and Awe of God as Revealed to her over many years.

Patty is a mother of four grown children, and grandmother of 10. She is also former stepmother to 5 others. Prior to ministry, Author, Teacher, Artist, Singer/Songwriter, Patty designs most of the book covers, graphics and even the robes she wears.

Patty's business career was as a CFO, Financial Manager and Management Consultant. Patty sold and installed mid-range accounting software, streamlining the accounting processes at many companies and non-profits. She helped Cornell University get a \$4 million grant. She's run for local election, been PTA President, Brownie Leader for the Girl Scouts, She's hunted, fished, ridden horses, gardened, sewn, made items for craft fairs, and much more

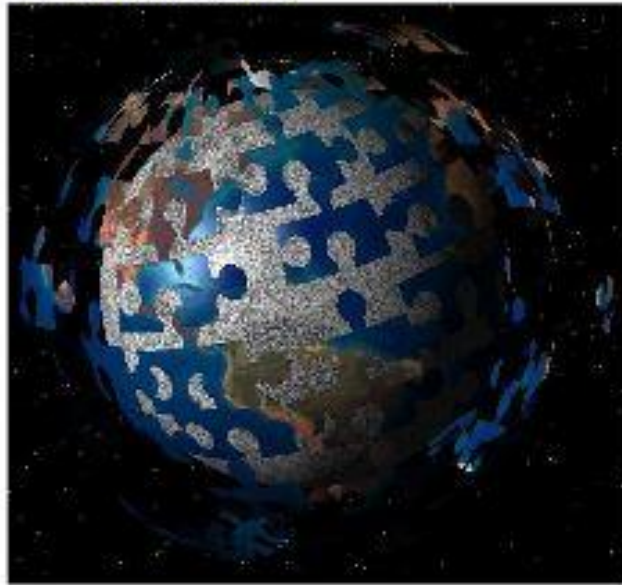

In 1984, Patty left a marriage and returned to full-time schooling earning a BS degree in Economics/Accounting. This, while working 1-3 jobs and raising her first 3 children without child support. She went on to nearly complete an MBA in Entrepreneurship, but lacked the funds for the last three courses.

Giving God all the Glory, she has been instructed to not allow book signings or personal photographs. As time allows, Patty remains after services to pray individually for people, but will not form a healing line.

# The Miracles Of Jesus Ministry

## OUR MISSION

The focus of this ministry, is to prepare people for the Second Coming of Jesus Christ. Many have fallen into complacency, or backslidden. Many think His Ways are optional. We work at reaching the unresolved, the lost, and those who are in apostasy.

Morality, according to Biblical terms, is one of the central themes of this ministry. Balance is taught, through teaching the Awesome and Wonder, Majesty and Precision that He is, and from there, building foundations of holiness, reverence, respect and honor of God.

Our Jewish Jesus, never Gave up the celebration of Sabbath or the Biblical Feasts. He Did away with the many laws that surrounded them. He Taught the Spirit of the Law, not the letter of it.

Jesus, or, Yeshua, IS the central focus of this ministry. Patty is dedicated to building the Kingdom of God, rather than to building her own "kingdom" of followers. ALL is done for the Glory of God. Humility is one of the keys of this ministry. We endeavor to walk a walk of simple humility, teaching others to do the same.

Ministry takes many forms. Patty has been ministering to God's hurting people for many years, showing His Love and Mercy, Compassion and Forgiveness, and helping them to find Him again. God's church has become disgruntled with man's ideas of church. Patty's teachings, as Given by Holy Spirit, invite people to know Him on deeper levels.

## MINISTRIES

**Teaching Ministry** Through books, publications and teaching, Patty brings real-world evidence of our Awesome and Merciful God. She calls people to repentance, and teaches them how to truly walk with Christ, and abide in Him.

**Biblical Counseling Ministry** Since 2000, Patty has ministered to tens of thousands of people, leading them to Christ and out of sin. She helps them find God's Answers to the situations of their lives, and teaches them how to seek answers and help from the Lord. Patty teaches relationship, not religion, and the real and Abiding Presence of God within.

**Churches In Kenya** The Miracles Of Jesus Ministry has five churches in the western region of Kenya. We are conducting a needs assessment of the churches in rural western Kenya, to determine the need for water wells, vaccinations, medical care, and more.

**Labors Of Love** TM OJM gets there items from time to time, to fill specific needs. We've sent shoes, clothing, toys, Bibles and more those who are in need. TM OJM ran a "sandwich ministry" during the 2010 Nashville Floods.

## WAVES OF PRAISE MOVEMENT

This is a 24-Hour World-Wide Praise Movement at 5pm on Christmas Day - in each and every time zone! Last Christmas, The Lord Said, that if people can stop what they are doing at midnight on New Year's Eve to say "Happy New Year," they can stop what they are doing at 5pm on Christmas Day to give Him the glory, honor and praise! The type and length of praise is entirely up to the individual, family or group. Please let your pastors, family and friends know, and plan to join in! A website will soon be set up to put pictures and videos up that people send in, about their 5pm wave of praise!

During the Christmas, 2010 season, Christian radio and tv announcers all across the globe invited people to praise the Lord! This is a real and concrete way to "put Christ back in

## WAVES OF PRAISE

## WHY THIS MINISTRY IS DIFFERENT

This is not "church as usual." This ministry calls for reforms in people, and in churches worldwide. Patty is calling people to lives of holiness, honor, morality and respect for each other and for God. Jesus is Set to Return, but His people are not ready. Many think that the things that applied in Bible times, do not apply today, but they still do. The church has fractured into over 2,000 denominations. God Wants an end to the divisions in the church. God Wants people to accept His Word as the Final Authority. That means, that we do not change anything that is in the Word of God. In fact, there are strong warnings against changing God's Words:

This ministry speaks continually through words, publications and movies, about the Awesome Power, Majesty, Mercy, Compassion and Forgiveness that God is. It also teaches His Vastness and His Amazing Precision. Nothing happens that He Either Does not Send or, Allow. Patty Reveals the Truths God Has Privileged her with, regarding His Precise Forming of the earth, and all that is therein. This will be made into a motion picture, and will bring in a great harvest of souls for the Lord Jesus Christ. The answers people have been seeking, will be in front of their eyes. They will no longer be able to deny His Existence.

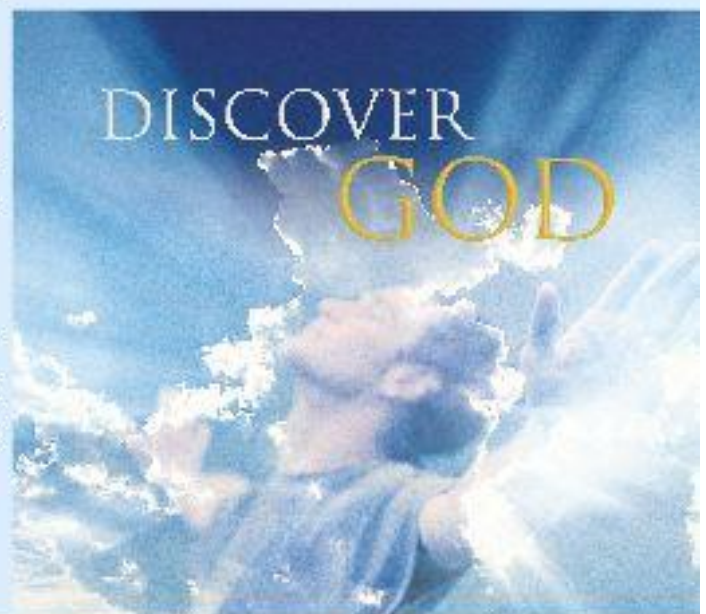

Deliverance was a large part of Jesus' Ministry on earth. He is Still Doing deliverance today. In simple terms a Holy Spirit Has Taught Patty, she explains things to people in common sense terms. She gives the tools she's been taught, to help people become "overcomers" in every area of their lives.

Formed in the year 2000, The Miracles Of Jesus Ministry endeavors to bring people back to the Truth of our Jewish Jesus. This includes His Celebrations of the Sabbath and Festivals He Experienced for Thirty-Three Years on earth. Through this ministry, over 50,000 callers have been assisted with situational counseling, all based on Biblical Teachings and Scriptures. Patty has been a strong advocate for Christ, a name bearer and sent many places to speak His Truths.

Patty's life is walking testimony to the Grace and Mercy of God. The Lord Has Redeemed her from a former life of sin. She strives continually to monitor thoughts, words and actions and conduct a ministry with excellence.

Patty walks in the Boldness and Authority of Christ, much as the prophets of the Bible did. She is not afraid to speak, being more concerned with pleasing God than pleasing man. Yet, the words are always given in the Love of Christ.

You, and your congregation or group, will be startled by the things that Patty will reveal to you. You will see God in His Depths and His Great Love, His Precision, and be filled with the Awe and Wonder of God.

# PREPARING HEARTS FOR THE SECOND COMING OF JESUS CHRIST

## HOLINESS, REVERENCE & RESPECT

So many have "taken God for granted." He IS a Holy God. "Be ye perfect as I AM PERFECT."

Learning to live for God, and incorporate His Ways into your daily life, takes time. Patty teaches practical, common-sense ways of making God your every moment. He MUST Be First in every area of your life! So many today, have fallen into the "I am a friend of God," syndrome, that they have forgotten His Awesome Power, His Holiness and His ultimate Kingship and Authority. They have reduced God to slightly more than a man.

Patty brings reminders and encourages people to revere our Awesome God.

## OUR JEWISH JESUS

The Lord Bent Patty to Synagogues, Messianic Fellowships, and many types of Christian churches. At His Leading, she began following His Calendar, complete with Sabbats (Sabbaths) and Biblical Feasts. Deeper understandings of Scriptures and of God began unfolding.

The Lord Wants everyone on the same page, and an end to the 2,000+ denominations in the Christian church. He Has Given Patty profound revelations which will be coming out in a movie called "Written On The Earth." This epic work, will be accompanied by teachings that show God's Precision Timings, and how the Christian church has missed Him.

As we look at our Jewish Jesus, we begin to see both the Old and the New Testaments come into clarity, and as a complete whole. There are no contradictions in the Bible, only a lack of understanding. When you begin to view the Bible through God's Eyes, and His Intentions, everything changes. Clarity has come.

## AWE & WONDER OF GOD

How can you know who God Is, unless you study Him? Unless you look at the evidences He Has Left - His Creation?

The Miracles Of Jesus Ministry balances teaching of deep repentance, holiness and reverence, with the Awe and Wonder of Who God Is. Patty shows people His Vastness, and His Incredible Precision. There is no chaos - the universe is well-ordered, and everything that happens, happens for a reason.

Since October of 2009, The Lord Holy Spirit Has Been waking Patty in the middle of the night, Showing her His Marnebus Creation. Like the pieces of a puzzle, it all began to come together. He's Shown Patty the satanic activities and deceptiveness in the world, and He's Shown her His Amazing Timing. He's Revealed How before He Formed the earth, He Deigned and Wrote, the stories of mankind upon it.

When you see these things, you will look at God in a whole new way. You see, Jesus Is Ready to return to earth. His church, isn't ready for Him. Just who do you worship? And, how much do you know about him?

Prepare to be AMAZED!
